

## ACTIVE IN MINISTRY WITH SPIRITUAL GIFTS FLOWING

**The Holy Spirit gives gifts and ministries to enable saints to manifest the life of Christ and to fulfill their special ministries.**

- We all have the role of witnessing to the unbelievers, but this does not make us evangelists.
- Witnessing is Christian responsibility for every member in the Body of Christ to fulfill.
- What ever our ministry is, if we try to project it onto others we can cause confusion, guilt and condemnation.
- We are all called to tithe as our Christian responsibility but it does not mean that we all have been called as ministers of the giving.
- We are all called to pray as our Christian responsibility, but that does not mean that we all have the supernatural call as ministers of intercession.
- We all are also instructed in Colossians 3:16 to teach and admonish one another as our Christian responsibility.
- We are to be disciplined and skillful enough in the word to disciple others but this type of teaching is different from the call and anointing of God upon ministers of teaching.

- Let us learn to recognize and edify one another as specific ministers and let us learn to appreciate the unique and different gifts from God that we all have.

- Every minister will have spiritual gifts flowing /functioning through your ministry. 1 Cor. 12:11 & 1 Cor. 12:7
- As you allow the spiritual gifts to flow through your ministry the person you are ministering to will be greatly blessed.
- It is the anointing of God that brings forth His truth, and it is His truth that will make others free.

### **PRAYER**

Holy Spirit, I ask that you teach the member of the body of Christ to be sensitive to your teaching. I ask that you make them aware when you are wanting to Manifest one of your gifts through them, so that they may allow you to flow and minister to those in need. I desire to be a blessing to others and a vessel for you to flow through .Please help them to be bold in your love and they will give Jesus all the Glory. In Jesus' name I pray. Amen.

We need to encourage each other to find out what ministry God has called us to do. We need to become effectual in the measure of our part in order that we might be a joint supporting life to the other members in the body of Christ.

- When you begin to recognize each other as ministers you will have a new freedom to enthusiastically exhort and encourage one another in their ministry rather than being jealous or judgmental of what another is doing. You will have a firm understanding that God has placed you in the body to fulfill a certain ministry and that each member functioning in their ministry is equally important to the whole man.
- If you are not functioning to the fullness of your capacity it can be hindering to the life flow of the Body of Christ.
- Ephesians 4:16''according to the effectual working in the measure of every part, that every joint will supply the Body. The joints in the Body will be healthy and supply strength to the rest of the Body as everyone is operating in the measure of their part. Then we will be edifying ourselves in love as we bring the lost, who are dying in depth of darkness, into a healthy, organized and functioning Body of Christ.
